

GUIDE BOOK SIT

2024

GUIDEBOOK SIT 2024

A. Overview Geosphere and SIT

Geosphere is an annual event organized by the Geophysical Engineering Student Association (HMTG) ITS. This event aims to introduce the Department of Geophysical Engineering ITS and related scientific fields. Geosphere targets students and college students to participate in enlivening a series of events.

SIT (*Seismic Interpretation Training*) is a training to improve practical skills in the oil and gas exploration sector, namely **Seismic Data Interpretation**. Held as one of a series of events from Geosphere 2024 which is open to the public and students. This year, SIT carries the theme ***“Reservoir Zone Characterization through Seismic Data Interpretation in the Oil and Gas Industry for Energy Sustainability”***. The training was held *offline* for **three days**.

B. Terms and Conditions of Participants

1. Participants are students or public.
2. Participants **must** register and complete the requirements listed in the Registration Mechanism point.
3. Participants are expected to prepare adequate equipment during the training.

C. Training Method

SIT focuses on theoretical and practical seismic interpretation through software.

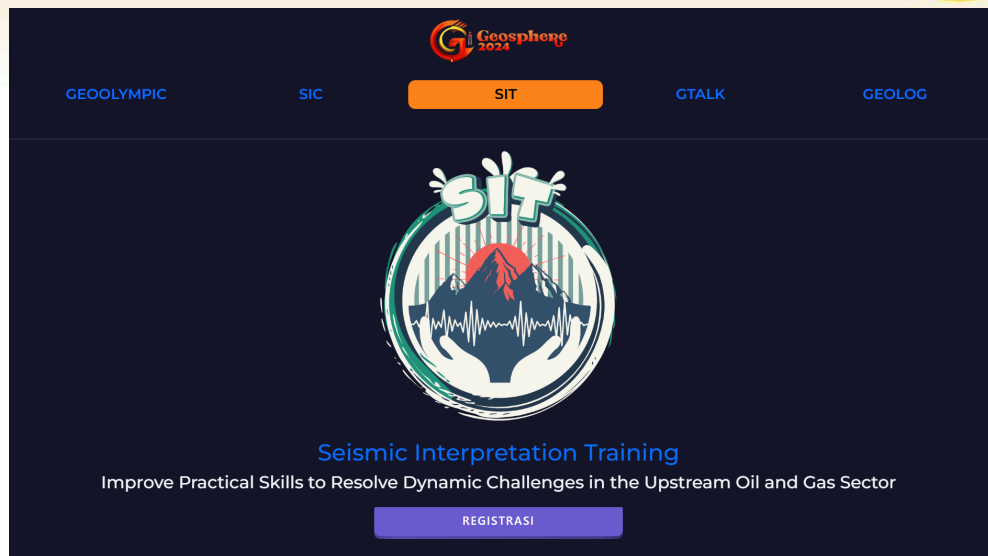

1. Exercise (theoretical)
2. Simulation (practical)
3. Focus Group Discussion (FGD)

D. Registration Mechanism

In the registration mechanism, prospective participants are expected to carefully follow the registration flow for SIT Geosphere 2024 participants that has been provided. The following is the registration flow for prospective SIT Geosphere 2024 participants.

1. Access the Registration Link

Prospective participants are expected to access the link its.id/m/SIT2024REGISTRATION to go to the "registration" page for creating an account for prospective participants. The following is a view of the SIT Geosphere 2024 website page*.

2. Personal Data and Registration Requirements

Then prospective participants are required to fill in their personal data along with the attached requirements for prospective SIT Geosphere 2024 participants. The following is a view of the Registration page*.

note)*

1. Registration can only be done on August 1, 2024 until August 30, 2024.
2. Prospective Participants **must** fill in their personal data in the form of **Email Address, Full Name, Department / Institution Origin, and Cellphone Number**. Make sure the data along with the Email Address and Mobile Number filled in are still active and appropriate.

GEOSPHERE

3. Prospective participants **must** complete the registration requirements and *uploaded* on a *personal google drive* link with the following conditions:
 - a. Follow Geosphere 2024's social media at **its.id/m/GEOSPHEREITS**
 - b. Prepare proof of social media screenshots with the format name **FULL NAME_FOLLOW PROOF**
 - c. Prepare a scan of identity in the form of KTM / KTP with the format of the name **FULL NAME_IDENTITY**
 - d. Prepare proof of payment for SIT Geosphere 2024 registration with the format name **FULL NAME_PAYMENT PROOF**
 - e. Include points a - d in one personal Google Drive folder with Public Access View Only with the drive name format: **FULL NAME_SIT PARTICIPANT FILES**
 - f. All files must be in **.jpg** or **.jpeg** format
 - g. Check the Biodata and file completeness again, if it is appropriate, make sure to click - **SUBMIT**.
4. Participants will receive an email from the Geosphere 2024 Committee as a sign that they have registered as SIT participants and will be sent a **Whatsapp Group link**.

E. Time and Place of Event

SIT (*Seismic Interpretation Training*) This will be conducted at the following time and place:

Day, Date : Thursday to Saturday, 3 to 5 October, 2024

Means : *Offline*

Place : Theater A, Institut Teknologi Sepuluh Nopember, Surabaya
<https://its.id/m/Lokasi-SIT-2024>

F. Timeline

The implementation of SIT Geosphere 2024 starts from the registration, technical meeting, and implementation stages as follows:

Registration

- Early Bird : 1 to 5 August, 2024
- Regular : 6 to 23 August, 2024
- Extended : 24 to 31 August 2024
- Close Registration : 31 August, 2024 (11.59 pm WIB)

Technical Meeting (TM)

- TM Participants : 7 September , 2024

GEOSPHERE

SIT Day

- Day 1 : Thursday, 3 October , 2024
- Day 2 : Friday, 4 October , 2024
- Day 3 : Saturday, 5 October , 2024

G. Fees and Payment

1. SIT enrollment fees will be differentiated according to the enrollment stage as follows:

- Early Bird : Rp200.000,-
- Regular – Extended : Rp250.000,-

2. Payment can be transferred to any of the addresses under the following options:

Address 1

Account Number : 0882658102

Bank : BCA

Name : Abidah Ardelia Arsya Melandri

Address 2

Account Number : 709401011881536

Bank : BRI

Name : Dinda Rachma Putri Cahyanti

3. In the payment amount, please add a unique code 1 at each stage of registration, **Example:** Rp250,001

H. Benefit

Participants will receive the following training facilities:

1. E-Modul Software
2. Material Handbook
3. Training Kit
4. Lunch

I. Contact person

Head of Event GEOSPHERE 2024

Name : M. Ghatfan Aufa (Gatan)

Phone Number : +62 858 9589 2863

Email : gatanaufa04@gmail.com

Head of Subevent SIT GEOSPHERE 2024

Name : Athaya Harsya Ramadhanta (Harsya)

Phone Number : +62 823 2214 7706

Email : athayaharsya2003@gmail.com

**For technical questions, please contact the Head of Subevent SIT.*
